

Dear Members of the Hallahan Community,

We are currently looking for Parents to help represent the school at High School Fairs throughout the city, and surrounding suburbs. We would like for prospective parents to be able to speak our current students and their families to give a unique point of view of the Hallahan Experience.

If you are able to make one of the High Schools Nights listed, please contact myself in the admissions office. I can be reached at (215) 563-8930 ext 252 or by email admissions@jwhallahan.com.

I look forward to working with you, and hearing from you soon.

Sincerely,

Mrs. Erin Brosious
Director of Admissions
